#### Grade Determination and Final Examination Details:

This course will have **two midterms**, each worth 25%, and a two (2) hour Registrar scheduled **final examination** worth 50% that will be held during the final examination period. Students are **strenuously** advised not to make travel plans until they know their examination schedule.

The midterm and final examinations will be marked on a numerical (percentage) basis. The course grade is calculated by using the weights indicated above and then converted into a letter grade. As a guide to determining standing, these letter grade equivalences will generally apply:

**A+** 100, **A** 90 to 99, **A-** 85 to 89, **B+** 80 to 84, **B** 75 to 79, **B-** 70 to 74, **C+** 65 to 69, **C** 60 to 64, **C-** 55 to 59, **D+** 50 to 54, **D** 45 to 49, **F** 0 to 44

If, for some reason, the distribution of grades determined using the aforementioned conversion chart appears to be abnormal the instructor reserves the right to change the grade conversion chart if the instructor, **at the instructor's discretion**, feels it is necessary to more fairly represent student achievement.

Dates for the midterms and assignments will be announced during the first week of classes.

The midterm examinations will involve written questions. The final examination will involve written questions.

Students must comply with the University regulations concerning "Intellectual Honesty," "Examinations," "Plagiarism," etc., which are published in the University Calendar.

The midterm examinations will be held in class on dates to be announced. **THERE WILL BE NO MAKEUP OR DEFERRED EXAMINATIONS** under any circumstances, nor may the examinations be written early. Students unable to write the examination because of documented illness; family emergency or religious observance will have the weight shifted to the final examination.

Students seeking reappraisal of a piece of graded term work should discuss their work with the Instructor within one week of the grade being made available. Unclaimed work will be available from the instructor during office hours.

Should the writing of a midterm examination for an entire lecture section become impossible due to events beyond the control of the instructor (such as, and not exclusively consisting of; inclement weather, instructor's illness, unavailable facilities, or other "acts of fate") the midterm examination will be written one week later.

**WARNING: THIS IS NOT A CORRESPONDENCE COURSE!** It is your responsibility to ensure that you attend class. It is not my responsibility to "fill you in" on what you miss if you are absent from a class. I will not answer questions that, in my opinion, are the result of nonattendance or lack of attention in class.

**WARNING: THIS COURSE IS NOT AN "EASY A!"** The instructor of this course strictly adheres to the definition of letter grades in the University of Calgary Calendar. If you are taking this course in expectation of a high grade so as to facilitate dentistry school, law school, medical school, or veterinary school admission please take something else. This course may be "only an option" for you, it is not "only an option" for the instructor.

Posting of grades will be at the discretion of the instructor and, if posted, they will be scrambled. **Grades will not be available in the Geography office.**

### **Plagiarism**

Academic dishonesty is not an acceptable activity at the University of Calgary and students are strongly advised to read the Student Misconduct section in the University Calendar. Quite often, students are unaware of what constitutes academic dishonesty or plagiarism. The most common are 1) presenting another student's work as your own 2) presenting an author's work or ideas as your own without proper referencing and 3) using work completed for another course. This activity will not be tolerated in this course and students conducting themselves in this manner will be dealt with according to the procedures outlined in the calendar.

Posting of grades will be at the discretion of each Professor and, if posted, they will be scrambled. Grades will not be available at Geography's main office.
