**Grade Determination and Final Examination Details:**

This course will have **two closed book midterms**, each worth 25%, and a two (2) hour **Registrar scheduled closed book final examination** worth 50% that will be held during the final examination period in a gymnasium. No aids, such as textbooks, calculators, or laptops are permitted. It is not essential to pass all examination in order to receive a passing grade in the course. Students are **strenuously** advised not to make travel plans until they know their examination schedule.

The midterm and final examinations will be marked on a numerical (percentage) basis. The course grade is calculated by using the weights indicated above and then converted into a letter grade. As a guide to determining standing, these letter grade equivalences will generally apply:

**A+ 100, A 90 to 99, A- 85 to 89, B+ 80 to 84, B 75 to 79, B- 70 to 74, C+ 65 to 69, C 60 to 64, C-55 to 59, D+ 50 to 54, D 45 to 49, F 0 to 44**

For additional detailed course information posted by the Instructor Desire2Learn at <https://d2l.ucalgary.ca/d2l/home>

Dates for the midterms will be announced during the first week of classes.

The midterm examinations will involve written questions and the final examination will also involve written questions. Students must comply with the University regulations concerning "Intellectual Honesty," "Examinations," "Plagiarism," etc., which are published in the University Calendar.

The midterm examinations will be held in class on dates to be announced. **THERE WILL BE NO MAKEUP OR DEFERRED EXAMINATIONS UNDER ANY CIRCUMSTANCES**, nor may the examinations be written early. Students unable to write a midterm examination because of documented illness; family emergency or religious observance will have the midterm examination weight equally shifted to other components of course work. A missed first midterm will entail a 37.5% second midterm and a 62.5% final examination; a missed second midterm will entail a 37.5% first midterm and a 62.5% final examination. Arrangements for the re-weighting of a missed midterm examination must be made with the instructor within 15 days after the grade has been returned in class.

Students seeking reappraisal of a piece of graded term work **cannot** discuss their work with the Instructor within the first 48 hours after the grade has been returned in class and **must** discuss their work within 15 days after the grade has been returned in class. Unclaimed work will be available from the instructor during office hours.

Should the writing of a midterm examination for an entire lecture section become impossible due to events beyond the control of the instructor (such as, and not exclusively consisting of; inclement weather, instructor's illness, unavailable facilities, or other "acts of fate") the midterm examination will be written one week later.

**WARNING: THIS IS NOT A CORRESPONDENCE COURSE!** It is your responsibility to ensure that you attend class. It is not my responsibility to "fill you in" on what you miss if you are absent from a class. I will not answer questions that, in my opinion, are the result of nonattendance or lack of attention in class.

**WARNING: THIS COURSE IS NOT AN "EASY A"** The instructor of this course strictly adheres to the definition of letter grades in the University of Calgary Calendar. If you are taking this course in expectation of a high grade to facilitate dentistry school, law school, medical school or veterinary school admission, please take something else. This course may be "only an option" for you, it is not "only an option" for the instructor.

**Examinations will be returned in class. Grades will not be posted on D2L nor will they available in the Geography Office.**

## **Supplementary Fees**

No supplementary fees will be assessed.

**For additional detailed course information posted by the instructor, visit the course Desire2Learn page online at <https://d2l.ucalgary.ca/d2l/home>.**
